An Act to consolidate the enactments with respect to Small Holdings and Allotments in England and Wales. A.D. 1908.

[1st August 1908.]

BE it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

PART I.

SMALL HOLDINGS.

Provision of Small Holdings.

1. A county council may if they are of opinion that there is such a demand for small holdings in their county as justifies them in putting into operation this Part of this Act, and shall if so required by a scheme under this Act, provide small holdings for persons who desire to buy or lease and will themselves cultivate the holdings.

Powers and duties of providing small holdings.

Schemes as to the provision of Small Holdings.

2.—(1) With a view to extending the provision of small holdings, there shall continue to be Small Holdings Commissioners (herein-after referred to as "the Commissioners"), and the Board of Agriculture and Fisheries (herein-after referred to as "the Board") may appoint two or more persons possessed of a knowledge of agriculture to be Commissioners and may appoint such other officers for the purposes of this Act as the Board may, with the consent of the Treasury, determine.

Appointment of Small Holdings Commissioners, &c.

(2) There shall continue to be paid out of money provided by Parliament to the Commissioners and officers so appointed such salaries or remuneration as the Treasury may from time to time determine; and all expenses incurred by those Commissioners and officers in the execution of their duties under this Act, to

A.D. 1908. — such amount as may be sanctioned by the Treasury, shall (except as otherwise expressly provided by this Act) continue to be defrayed out of money provided by Parliament.

Inquiries and reports by Commissioners.

3.—(1) The Commissioners, acting under the directions of the Board, shall ascertain the extent to which there is a demand for small holdings in the several counties or would be a demand if suitable land were available, and the extent to which it is reasonably practicable, having regard to the provisions of this Act, to satisfy any such demand, and for that purpose shall confer with the county councils and may co-operate with such other authorities, associations, and persons as they think best qualified to assist them, and take such other steps as they think necessary.

(2) The council of any county, borough, district, or parish may make representations to the Commissioners in respect of any such matters as aforesaid, and it shall be the duty of every council to furnish the Commissioners with such information, and to give them such other assistance, as they may reasonably require for the purposes of this section.

(3) The Commissioners shall report the information acquired by them respecting any county to the Board, and shall state whether it is desirable, in the opinion of the Commissioners, that such a scheme as is herein-after mentioned should be made, and may indicate the nature of the proposals which the Commissioners consider ought to be embodied in the scheme.

(4) If in the course of their inquiries the Commissioners receive any information as to the existence of a demand for allotments, they shall communicate the information to the councils of the county, and of the borough, urban district, or parish concerned.

Preparation of draft schemes.

4.—(1) Where the Board, after considering the report and such representations as aforesaid as respects any county, are of opinion that it is desirable that a scheme should be made, the Board shall forward the report of the Commissioners with such modifications or observations (if any) as the Board think desirable to the county council, and it shall be the duty of the county council to prepare one or more draft schemes to give effect to the report, subject to such modifications (if any) as aforesaid, or to such other modifications as the Board may make after considering any representations submitted to them by the county council, and in preparing the drafts the council shall have regard to the proposals (if any) of the Commissioners indicated in the report.

(2) If the county council decline to undertake this duty, or within six months after receiving the report or within such extended time as may be allowed by the Board, fail to prepare such one or more draft schemes as appear to the Board desirable, the Board may direct the Commissioners to prepare one or more draft schemes.

(3) A county council, if they think fit, may, without receiving any such report as aforesaid, prepare one or more draft schemes for the provision of small holdings for their county. A.D. 1908.

(4) A draft scheme under this section may specify—

(a) the localities in which land is to be acquired for small holdings ;

(b) the approximate quantity of land to be acquired, and the number, nature, and size of the small holdings to be provided, in each locality ;

(c) whether, and to what extent, grazing or other similar rights, to be defined in the scheme, should be attached to the small holdings created in pursuance of the scheme, and, if so, the approximate quantity of land or extent and nature of the rights to be acquired for the purpose ;

(d) the time within which the scheme or any part thereof is to be carried into effect ;

and the scheme may contain such incidental, consequential, or supplemental provisions (including provisions as to the subsequent variation of the scheme) as may appear necessary or proper for the purposes of the scheme.

(5) Where the Commissioners report or the county councils concerned are of opinion that a scheme should be made affecting two or more counties, the scheme may be prepared by the councils jointly, and may provide for joint action being taken by the councils.

5.—(1) A copy of any draft scheme shall if prepared by a county council be sent to the Board, and if prepared by the Commissioners be sent to the Board and to any county council concerned, and the draft scheme and any modifications therein which the Board may propose to make shall be published and advertised together with notice of the time within and manner in which objections are to be sent to the Board in such manner as the Board think best adapted for informing the persons affected and for insuring publicity. Procedure as to schemes.

(2) The Board shall consider the draft scheme and any objections thereto duly made, and may in any case and shall if the county council object to the scheme, or, in the case of a scheme prepared by the council, to any modifications therein which the Board propose to make, hold a public local inquiry, at which the county council, and such other persons as the person holding the inquiry may in his discretion think fit to allow, shall be permitted to appear and be heard.

(3) The Board, after considering the objections and the report of the person holding the inquiry (if any), may settle and confirm the scheme either without modification or subject to such modifications as the Board think fit, or may annul the scheme.

A.D. 1908.
—
Duty of councils to carry schemes into effect.

6.—(1) It shall be the duty of a county council on which obligations are imposed by a scheme to carry them into effect within such time as may be specified in the scheme, or within such further time as may be allowed by the Board, and for that purpose the council may exercise any of the powers conferred on them by the provisions of this Act relating to small holdings.

(2) If the county council fail so to fulfil their obligations, the Board shall by order direct the Commissioners to take such steps as may be necessary for carrying the scheme into effect, and upon such order being made the Commissioners shall for the purpose have all the powers of a county council under the provisions of this Act relating to small holdings, and those provisions shall apply as if references to the Commissioners were substituted for references to a county council :

Provided that such expenses of the Commissioners as the Board certify to have been incurred by the Commissioners in the exercise of such powers in relation to any scheme and to be properly payable by the county council shall on demand be repaid to the Board by the county council in default out of the county fund, and shall be recoverable as a debt due to the Crown, and such sums as the Board certify to have been received by the Commissioners in respect of any land acquired shall be paid to the council.

(3) Any order made by the Board directing the Commissioners to carry a scheme into effect shall be laid before both Houses of Parliament as soon as may be after it is made.

Powers of County Councils in relation to the provision of Small Holdings.

Power to acquire land for small holdings.

council shall fix the purchase money or rent at such reasonable amount as will, in their opinion, guard them against loss. A.D. 1908.

8.—(1) A county council may, if they think fit, before sale or letting, adapt for small holdings any land acquired by them for that purpose, by dividing and fencing it, making occupation roads, and executing any other works, such as works for the provision of drainage or water supply, which can in the opinion of the council be more economically and efficiently executed for the land as a whole. Adaptation of land for small holdings.

(2) A county council may also, if they think fit, as part of the agreement for the sale or letting of a small holding, adapt the land for a small holding by erecting thereon such buildings, or making such adaptations of existing buildings, as in their opinion are required for the due occupation of the holding, and cannot be made by the purchaser or tenant.

9.—(1) A county council shall apportion the total cost of the acquisition of the land, and of any adaptation thereof, among the several holdings in such manner as seems just, and shall, save as herein-after mentioned, offer the small holdings for sale or letting in accordance with rules under this Part of this Act. (3) The cost of acquisition and adaptation shall for the purposes of this section include every expense incurred by the council in relation to the land, inclusive of any allowance to any officers of the council for work done in relation thereto.

10.—(1) A county council acquiring land for small holdings shall make rules for carrying into effect the provisions of this Act relating to small holdings and in particular— Rules as to mode and conditions of sale and letting.

- (b) as to the notice to be given of the offer for sale or letting; and
- (c) for guarding against any small holding being let or sold to a person who is unable to cultivate it properly, and otherwise for securing the proper cultivation of a holding; and

(3) On such completion he shall pay not less than one fifth of the purchase money.

44 & 45 Vict. c. 41.

(4) A portion representing not more than one fourth of the purchase money may, if the county council think fit, be secured by a perpetual rentcharge which shall be redeemable in manner directed by section forty-five of the Conveyancing and Law of Property Act, 1881, with respect to rentcharges to which that section applies.

(5) The residue (if any) of the purchase money shall be secured by a charge on the holding in favour of the council, and shall either be repaid by half-yearly instalments of principal with such interest, and within such term not exceeding fifty years from the date of the sale, as may be agreed on with the council, or shall, if the purchaser so requires, be repaid with such interest and within such term as aforesaid by a terminable annuity payable by equal half-yearly instalments. The amount for the time being unpaid may at any time be discharged, and any such terminable annuity may at any time be redeemed, in accordance with tables fixed by the county council.

(6) A council may, if they think fit, agree to postpone for a term not exceeding five years the time for payment of all or any part of an instalment either of principal or interest or of a terminable annuity, in consideration of expenditure by the purchaser which, in the opinion of the council, increases the value of the holding, but shall do so on such terms as will, in their opinion, prevent them from incurring any loss.

(7) A small holding may be sold subject to such rights of way or other rights for the benefit of other small holdings as the council consider necessary or expedient.

Conditions affecting small holdings.

12.—(1) A small holding sold by a county council under this Act or any enactment repealed by this Act shall for a term of twenty years from the date of the sale, and thereafter so long as any part of the purchase money remains unpaid, be held subject to the following conditions:—

(2) If any such condition is broken, the council may, after giving the owner an opportunity of remedying the breach (if it is capable of remedy), cause the holding to be sold.

(3) If, on the decease of the owner while the holding is subject to the conditions imposed by this section, the holding would, by reason of any devise, bequest, intestacy, or otherwise, become subdivided, the council may require the holding to be sold within twelve months after such decease to some one person, and, if default is made in so selling the holding, the council may cause the holding to be sold.

(4) Where under either of the two preceding subsections a county council have power to cause or require a small holding to be sold, the council may, in the event of their requiring such holding for the purposes of small holdings, by notice in writing require the holding to be sold to themselves at such price as, in default of agreement, may be determined by arbitration, and thereupon the council shall, after such date as may be specified by the notice, and on production to the registrar of the land registry of evidence of service of the notice and of the payment of the sum so agreed or determined, or of the tender of such payment, be registered as the proprietor of the land in place of the registered proprietor, and such registration shall operate as a registration on a transfer for valuable consideration under the Land Transfer Acts, 1875 and 1897.

A notice for the purposes of this subsection shall be deemed to be sufficiently served if sent by registered post addressed to the owner or the personal representatives of the deceased owner at his registered address or at his last known place of abode.

(5) Any sale by a county council under this section may be made either subject to the charge in respect of purchase money or free, wholly or partly, from that charge, and in either case the provisions of this Act with respect to the purchase money shall apply in like manner as if the sale were the first sale of the holding.

(6) The proceeds of the sale shall be applied in discharge of any unpaid purchase money for the holding, or redemption of any rentcharge or terminable annuity which is not to continue a charge on the holding, and, subject as aforesaid, shall be paid to the person appearing to the council to be entitled to receive the same.

(2) The council may also, while any sale or lease of a holding is pending, temporarily let or manage the holding for such time and in such manner as they think expedient.

(2) The provisions of this Act with respect to the purchase money secured by a charge on a small holding sold by a county council, and with respect to any small holding so sold, shall apply to an advance made and a holding purchased under this section, as if the advance was the purchase money, save that the county council shall not guarantee the title of the purchaser of the holding.

20. The Board may, if after inquiry they think it advisable to do so with a view to demonstrating the feasibility of the establishment of small holdings in any locality, exercise the powers conferred on county councils by the provisions of this Act relating to small holdings (except the powers of acquiring

land compulsorily and of borrowing), and those provisions shall apply as if references to the Board were substituted for references to a county council; but the expenses of the Board shall be defrayed out of, and their receipts paid into, the Small Holdings Account, and no part thereof shall be paid out of any rate. A.D. 1908.

21. The Board may, if they think fit, and subject to regulations made by the Board with the approval of the Treasury, repay or undertake to repay to a county council, out of the Small Holdings Account, the whole or any part of the expenses incurred by the council in proceedings in relation to the acquisition of land for the purposes of small holdings, and the amount so repaid shall not be treated as part of the costs incurred by the council in relation to land for the purposes of sections seven and nine of this Act, but nothing in this section shall authorise the repayment of any part of any purchase money, compensation, or rent payable in respect of the land. A.D. 1908. district, or parish, that the circumstances of the borough, urban district, or parish are such that it is the duty of the council to take proceedings under this Part of this Act therein, the council shall take such representation into consideration.

(3) For the purpose of this section, the expression "reasonable rent" means the rent, exclusive of rates, taxes, and tithe rent-charge, which a person taking an allotment might reasonably be expected to pay, taking one year with another, to a landlord, having regard to the value of similar land in the neighbourhood, to the extent and situation of allotment, to the expenses of the adapting the land to the purposes of the allotment, and to the repairs and other outgoings payable by the landlord, and to the cost and risk of collecting the rents of and otherwise managing allotments.

(4) The duty of a council to provide allotments under this Act shall not include the duty of providing allotments exceeding one acre in extent.

Duty of county councils to act in default of district and parish councils.

24.—(1) It shall be the duty of a county council to ascertain the extent to which there is a demand for allotments in the several urban districts (other than boroughs) and rural parishes in the county, or would be a demand if suitable land were available, and the extent to which it is reasonably practicable, having regard to the provisions of this Act, to satisfy any such demand, and for that purpose to co-operate with such authorities, associations, and persons as they think best qualified to assist them, and take such other steps as they think necessary.

(2) The county council, if satisfied that the circumstances are such that land for allotments should be acquired by them under this section, shall pass a resolution to that effect, and thereupon the powers and duties of the district or parish council under the provisions of this Act relating to allotments shall be transferred from that council to the county council, and the county council, in substitution for that council, shall proceed to acquire land in accordance with this Act, and otherwise execute this Act in the district or parish :

Provided that this section shall not affect the property in, or any powers or duties of the district or parish council in relation to, any land which, before the passing of the resolution, was acquired by the district or parish council under this Act, or any enactment repealed by this Act.

(2) In assessing the rent to be paid under this section the valuer shall not take into account any increase in the value of the holding—

- (a) due to improvements in respect of which the council would have been entitled to compensation, if instead of renewing the tenancy the council had quitted the land on the determination of the tenancy ; or
- (b) due to any use to which the land might otherwise be put during the renewed term, being a use in respect of which the landlord is entitled to resume possession of the land under this Act ; or
- (c) due to the establishment by the council of other small holdings or allotments in the neighbourhood,

land is resumed, the rent payable by the council shall as from the date of resumption be reduced by such sum as in default of agreement may be determined by valuation by a valuer appointed by the Board. A.D. 1908.

(2) Where the land has been hired compulsorily by the Commissioners acting in default of a county council, any question as to the right of the landlord to resume possession of the land or any part thereof under this section shall be determined by an arbitrator appointed by the Lord Chief Justice of England.

47.—(1) Where a council has let a small holding or allotment to any tenant, the tenant shall as against the council have the same rights with respect to compensation for the improvements mentioned in Part I. of the Second Schedule to this Act as he would have had if the holding had been a holding to which section forty-two of the Agricultural Holdings Act, 1908, applied : Compensation for improvements.

Provided that the tenant shall not be entitled to compensation in respect of any such improvement if executed contrary to an express prohibition in writing by the council affecting either the whole or any part of the holding or allotment; but, if the tenant feels aggrieved by any such prohibition, he may appeal to the Board, who may confirm, vary, or annul the prohibition, and the decision of the Board shall be final.

(2) Where land has been hired by a council for small holdings or allotments, the council shall (subject in the case of land hired by agreement to any agreement to the contrary) be entitled at the determination of the tenancy on quitting the land to compensation under the Agricultural Holdings Act, 1908, for any improvement mentioned in Part I. of the Second Schedule to this Act, and for any improvement mentioned in Part II. of that Schedule which was necessary or proper to adapt the land for small holdings or allotments, as if the land were a holding to which section forty-two of the Agricultural Holdings Act, 1908, applied, and the improvements mentioned in Part II. of the said Schedule were improvements mentioned in Part III. of the First Schedule to the Agricultural Holdings Act, 1908 :

Provided that, in the case of land hired compulsorily, the amount of the compensation payable to the council for those improvements shall be such sum as fairly represents the increase (if any) in the value to the landlord and his successors in title of the holding due to those improvements.

(3) The tenant of an allotment to which Part II. of this Act applies may, if he so elects, claim compensation for improvements under the Allotments and Cottage Gardens Compensation for Crops Act, 1887, instead of under the Agricultural Holdings Act, 1908, as amended by this section, notwithstanding that the allotment exceeds two acres in extent. 50 & 51 Vict. c. 26.

(4) A tenant of any small holding or allotment may, before the expiration of his tenancy, remove any fruit and other trees

A.D. 1908. and bushes planted or acquired by him for which he has no claim for compensation, and may remove any toolhouse, shed, greenhouse, fowl-house, or pigsty built or acquired by him for which he has no claim for compensation.

(2) At the determination of the tenancy, on the council quitting the land, or at any time within twelve months thereafter, the incumbent of the benefice to which the land belongs may apply to the Ecclesiastical Commissioners for their consent to the removal of any buildings which have been erected on the land for the purpose of adapting the land for small holdings or allotments, and, on proof to the satisfaction of the Commissioners that any such buildings are useless, and that it is to the interest of the benefice that they should be removed, the incumbent may, with the consent of the Commissioners, and subject to such directions as they may give, pull down any such buildings and dispose of the materials thereof, and any proceeds shall be paid to the Commissioners to be by them applied to the improvement of the benefice in such manner as the Commissioners may direct.

Co-operative Societies, &c.

Co-operative societies, &c.

49.—(1) A county council may promote the formation or extension of, and may, subject to the provisions of this section, assist, societies on a co-operative basis, having for their object, or one of their objects, the provision or the profitable working of small holdings or allotments, whether in relation to the purchase of requisites, the sale of produce, credit banking, or insurance, or otherwise, and may employ as their agents for the purpose any such society as is mentioned in subsection (4) of this section.

(2) The county council, with the consent of, and subject to regulations made by, the Local Government Board, may for the purpose of assisting a society make grants or advances to the society, or guarantee advances made to the society, upon such terms and conditions as to rate of interest and repayment or otherwise, and on such security, as the council think fit.

(3) Where the Board themselves provide small holdings under the provisions of this Act, they may, with respect to any such society carrying on business or intending to carry on business in the neighbourhood of those small holdings, exercise the powers of a county council under this section, and the provisions of this section shall apply accordingly, except that references to the

(3) Where any receipts or payments of money under this Act are entrusted by the county council to the small holdings and allotments committee, or any sub-committee thereof, the accounts of those receipts and payments shall be accounts of the county council, and made up and audited accordingly.

(4) This section, so far as relates to small holdings, shall apply to the council of a county borough in like manner as it applies to a county council, but, so far as it relates to allotments and sub-committees, shall not apply to the council of a county borough, without prejudice however to the power of such a council to appoint their small holdings committee, if duly qualified, to be allotment managers in pursuance of Part II. of this Act.

(c) as between loans for different periods, the longer duration of the loan shall not be taken as a reason for fixing a higher rate of interest.

(3) Any capital money received by a county council in payment or discharge of purchase money for land sold by them, or in repayment of an advance made by them, shall, subject to the provisions of this Act, be applied, with the sanction of the Local Government Board, either in repayment of debt or for any other purpose for which capital money may be applied.

A.D. 1908.

(4) The council of a borough, urban district, or parish may borrow for the purposes of acquiring, improving, and adapting land for allotments—

(a) in the case of a borough or urban district council, in like manner and subject to the like conditions as for the purposes of the Public Health Acts; and

(b) in the case of a parish council, under and in accordance with the provisions of the Local Government Act, 1894, but the money so borrowed by a parish council shall not be reckoned as part of the debt of the parish for the purpose of the limitation on borrowing under section twelve of that Act.

(5) Sections two hundred and forty-two and two hundred and forty-three of the Public Health Act, 1875, relating to loans by the Public Works Loan Commissioners to a local authority, shall apply to a loan to a borough or urban district council under this section, and, with the necessary adaptations, to a loan to a parish council under the Local Government Act, 1894, or to a county council lending money to a parish council under that Act, where the purpose for which the loan is required by the parish council is the acquisition, improvement, or adaptation of land under Part II. of this Act, in like manner as if those sections were herein re-enacted and in terms made applicable thereto.

SCHEDULES.

FIRST SCHEDULE.

Section 39.

PART I.

PROVISIONS AS TO THE COMPULSORY ACQUISITION OF LAND
BY A COUNCIL.

8 & 9 Vict.
c. 20.

(1) The order shall be in the prescribed form, and shall contain such provisions as the Board may prescribe for the purpose of carrying the order into effect, and of protecting the council and the persons interested in the land, and shall incorporate, subject to the necessary adaptations, the Lands Clauses Acts and sections seventy-seven to eighty-five of the Railways Clauses Consolidation Act, 1845, but subject to this modification, that any question of disputed compensation shall be determined by a single arbitrator appointed by the Board, who shall be deemed to be an arbitrator within the meaning of the Lands Clauses Acts, and the provisions of those Acts with respect to arbitration shall, subject to the provisions of this schedule, apply accordingly.

(2) The order shall be published by the council in the prescribed manner, and such notice shall be given both in the locality in which the land is proposed to be acquired and to the owners, lessees, and occupiers of that land, as may be prescribed.

(3) If within the prescribed period no objection to the order has been presented to the Board by a person interested in the land, or if every such objection has been withdrawn, the Board shall, without further inquiry, confirm the order, but, if such an objection has been presented and has not been withdrawn, the Board shall forthwith cause a public inquiry to be held in the locality in which the land is proposed to be acquired, and the council and all persons interested in the land and such other persons as the person holding the inquiry in his discretion thinks fit to allow shall be permitted to appear and be heard at the inquiry.

(4) Before confirming the order the Board shall consider the report of the person who held the inquiry, and all objections made thereat.

(5) The arbitrator shall, so far as practicable, in assessing compensation act on his own knowledge and experience, but, subject as aforesaid, at any inquiry or arbitration held under this schedule the person holding the inquiry or arbitration shall hear, by themselves or their agents, any authorities or parties authorised by or under this Act to appear, and shall hear witnesses, but shall not, except in such cases as the Board otherwise direct, hear counsel or expert witnesses.

(6) The Board may, with the concurrence of the Lord Chancellor, make rules fixing a scale of costs to be applicable on an arbitration under this schedule, and an arbitrator under this schedule may, notwithstanding anything in the Lands Clauses Acts, determine the amount of costs, and shall have power to disallow as costs in the arbitration the costs of any witness whom he considers to have been called unnecessarily, and any other costs which he considers to have been caused or incurred unnecessarily.

(7) In construing, for the purposes of this schedule or any order made thereunder, any enactment incorporated with the order, this Act together

with the order shall be deemed to be the special Act and the council shall be deemed to be the promoters of the undertaking. A.D. 1908.

(8) Where the land is glebe land or other land belonging to an ecclesiastical benefice the order shall provide that sums agreed upon or awarded for the purchase of the land, or to be paid by way of compensation for the damage to be sustained by the owner by reason of severance or other injury affecting the land, shall not be paid as directed by the Lands Clauses Acts, but shall be paid to the Ecclesiastical Commissioners to be applied by them as money paid to them upon a sale under the provisions of the Ecclesiastical Leasing Acts of land belonging to a benefice.

PART II.

Section 39.

PROVISIONS AS TO THE COMPULSORY HIRING OF LAND BY A COUNCIL.

(1) The Board shall make regulations for the purpose of carrying the order into effect and of protecting the council and the persons interested in the land, and the order shall incorporate such regulations, together with such provisions of the Lands Clauses Acts and of sections seventy-seven to eighty-five of the Railways Clauses Consolidation Act, 1845, as may, subject to the prescribed adaptations, appear to the Board necessary or expedient for that purpose.

(2) The order authorising the land to be hired compulsorily shall determine the terms and conditions of the hiring other than the rent, and in particular—

- (a) shall provide for the insertion in the lease of covenants by the council to cultivate the land in a proper manner and to pay to the landlord at the determination of the tenancy on the council quitting the land compensation for any depreciation of the land by reason of any failure by the council, or any person deriving title under them, to observe such covenants, or by reason of any user of the land by the council or such person as aforesaid, and (unless otherwise agreed) to keep the buildings and premises demised in repair; and
 - (b) shall not authorise the breaking up of pasture unless the Board are satisfied that it can be so broken up without depreciating the value of the land, or that the circumstances are such that small holdings cannot otherwise be successfully cultivated; and
 - (c) shall not, except with the consent of the landlord, confer on the council any right to fell or cut timber or trees or any right to take, sell, or carry away any minerals, gravel, sand, or clay, except so far as may be necessary or convenient for the purpose of erecting buildings on the land or otherwise adapting the land for small holdings or allotments, and except upon payment of compensation for minerals, gravel, sand, or clay so used.
- (3) The determination of—
- (a) The amount of the rent to be paid by the council for the land compulsorily hired;
 - (b) The amount of any other compensation to be paid by the council to any person entitled thereto in respect of the land or any interest therein, or in respect of improvements executed on the land or otherwise; and
 - (c) Where part only of a holding held for an unexpired term is hired, the rent to be paid for the residue of the holding during the remainder of that term;

shall in default of agreement be by valuation by a single valuer appointed by the Board: Provided that, if the land hired is in the occupation of

A.D. 1908. — a tenant, he may, by notice in writing served on the council before the determination of his tenancy, require that any claim by him against the council which, under the Agricultural Holdings Act, 1908, might be referred to arbitration under that Act, shall be so referred, and in such case those claims shall be determined by arbitration under that Act and not by valuation under this Act.

(4) The valuer, in fixing the rent to be paid for the land compulsorily hired, shall take into consideration the rent (if any) at which the land has been let and the annual value at which the land is assessed for purposes of income tax or rating, the loss (if any) caused to the owner by severance, the terms and conditions of the hiring (including any reservation of sporting or fishing rights), and all the other circumstances connected with the land, but shall not make any allowance in respect of any use to which the land compulsorily hired might otherwise be put by the owner during the term of hiring, being a use in respect of which the owner is entitled to resume possession of the land under this Act.

(5) Any compensation awarded to a tenant in respect of any depreciation of the value to him of the residue of his holding caused by the withdrawal from the holding of the land compulsorily hired shall, as far as possible, be provided for by taking such compensation into account in fixing the rent to be paid for the residue of the holding during the remainder of the term for which it is held by the tenant.

(6) Any person interested in any valuation shall give the valuer all such assistance, information, and explanations as he may require, and shall produce to the valuer, or give him access to, all such books, accounts, vouchers, and other documents relating to the land to be compulsorily hired as he may reasonably require for the purposes of valuation, and such expenses as the valuer certifies to have been properly incurred by any person in furnishing such assistance, information, and explanations, or otherwise, in relation to the valuation, shall be paid by the council.
